Convenient and easy to use

It is the safest, fastest and most efficient payment option available today. A FPCU Debit Card is the most convenient way for you to access your checking account without writing a check. It eliminates the hassles of carrying a checkbook, writing a check, and waiting for approval. Just present your Debit Card and the transaction is processed in a matter of seconds.

As useful as a credit card, easier than a check

A Debit Card looks like a credit card, but works like a check. When you present your Debit Card you are drawing money directly from your checking account instead of a line-of-credit. You can use your Debit Card at over 10 million merchants and nearly 30,000 Co-Op surcharge-free ATMs. Visit our website to find convenient locations to use a surcharge-free ATM.

Detailed record keeping

To help you keep track of your purchases, your monthly statement will list the amount, date, and place where you made each purchase.
